### Honored Queen Corner

We had fantastic first meetings! Everyone is doing so good on their parts, remember to keep practicing.

Our sleepover was so much fun, and I was happy that so many of you brought some friends. Talk to the girls that you brought and see if they would like to join our Bethel. They can see how much fun we have!

Cari gave us our wreath lists at the sleepover so make sure we start calling our customers. We will have the dates soon! I'm super excited because I know we can **ROCK** this with as many people as we have selling.

### Reminder

If you are going to be absent for a meeting you **MUST** call the Honored Queen Taylor, 308-5773  
AND  
Guardian Amy, 421-2017, for the absence to be considered an excused absent. This is important if you would like to be considered for a line office.
